

How to find us:

By public transport:

By London Underground

The Detica offices are situated a minute's walk from Monument station (on the District and Circle Lines) and a five minute walk from Bank station (on the Waterloo and City, Northern, and Central Lines and the Docklands Light Railway).

From Cannon Street mainline station

The Detica offices can be reached by a five minute walk from Cannon Street mainline station. From the station, walk along Lower Thames Street (with the River on your right) and, after passing under London Bridge, turn left onto Fish Street Hill, turning left at the end onto Monument Street.

At the end of Monument Street, turn left on to King William Street where our office is situated on your left.

By air:

From London Heathrow

Either take the Heathrow Express to Paddington (and then a District and Circle Line train to Monument – taking about 45 minutes) or travel on the Piccadilly Line directly from Heathrow, changing at Earls Court station onto a District and Circle Line train.

From London Gatwick

Take the Gatwick Express train to London Victoria mainline station. Change here and get a District and Circle Line train to Monument.
